

P.S. Trampoline & Gymnastics Club

SPONSORSHIP PACKAGE

We are hoping to raise £5000 for the purchase of a new international level trampoline, this will allow us to train using the same equipment we will be competing on at competitions.

Your support will be essential in allowing us to train on the best equipment.

P.S. Trampoline & Gymnastics Club has been created to offer children the opportunity to participate in Trampolining and Gymnastics in a safe, fun and stimulating environment. Our club puts the child's learning first and at the centre.

Head Coach: Heading up the programme is our head coach with 18 years trampolining coaching and teaching experience in and around Portsmouth. With an extensive knowledge of training programmes, skill and routine development the club has gone from strength to strength every year. With an excellent mentoring and development programme for young coaches this will ensure new coaches will be coming through every year.

Coaching Staff: All staff members have qualifications recognised by the British Gymnastics. that will ensure certain coaching standards are of a high level. Coaching staff members have developed their skills by progressing through our coaching ranks from competitor to leader to coach. As current students, the coaching staff will provide all players with opportunities to engage in wider learning during and after training sessions and games, as well as providing learning support for players where needed.

Outstanding Facilities: With the John Pounds Centre as the hub of PSTGC's training sessions and competitions, gymnasts are afforded the chance to consistently train on an international trampoline and several high-level trampolines. The conference rooms and fitness suite allow the coaching team to run conditioning and training sessions to develop the gymnast's strength, flexibility and focus.

September 2023-August 2024

Can your company benefit from helping us achieve?
